

Interesting Sand Toys for Children

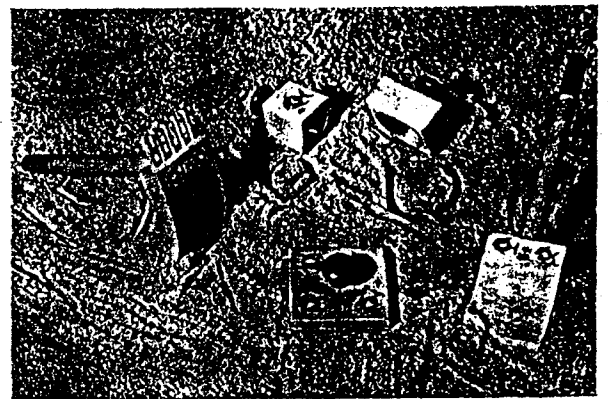

No. 209, COLORED SAND PAIL AND TOOLS

An assortment of essential tools—shovel, combination hoe-rake, and tamp—together with a striking red lacquered pail. The ideal set for advanced sand play. Will provide activity in sand for several children. Price \$1.00

No. 210 JUNIOR SAND TOOLS

An advanced five-piece set for the older child. A shovel, tamp, and new combination rake and hoe, as well as two molds for the development of imaginative play with sand. With these tools the child can dig, rake, pound, shovel, and mold. Price \$1.00

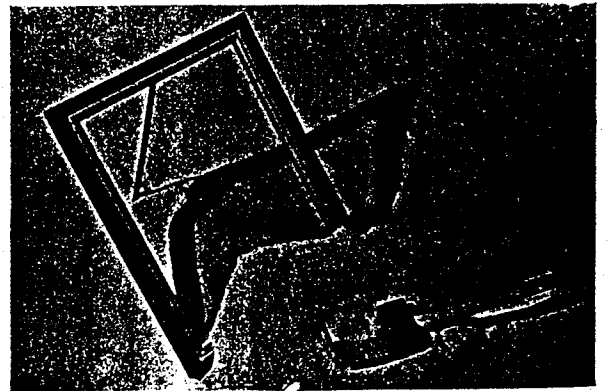

No. 216 JUNIOR SAND SCREEN

Most children will tell you that the best mud pies are made with sifted sand. The Holgate Sand Screen has these outstanding features:

1. A sturdy wood frame of selected pine.
2. Locked corner edges held together with waterproof glue.
3. A lacquer finish resistant to effect of salt water and sand.
4. A-rust proof wire screen strongly fixed in the wood frame.

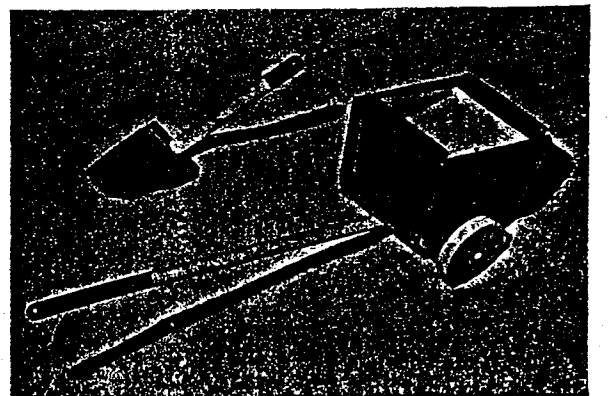

Truly the quality Sand Screen on the market.

Price \$1.00

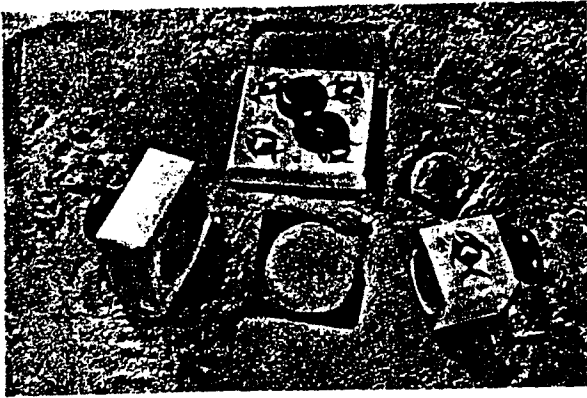

No. 242 JUNIOR PUSH CART

Here is a cart every child will want for his own because it provides an easy means of transporting sand and other play materials from place to place. Excellent for encouraging group play. Complete with one wooden shovel. Price \$1.50

From Two to Nine Years of Age

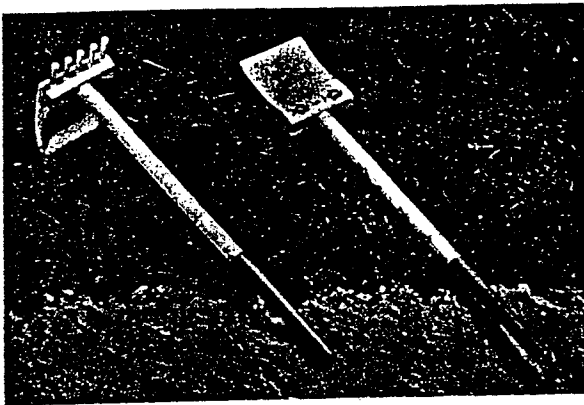

JUNIOR SAND MOLDS No. 203

All children love to make mud pies and they will be eager to have this set with 2 molds for forming shapes and a tamp for smoothing the sand.

Price \$.50

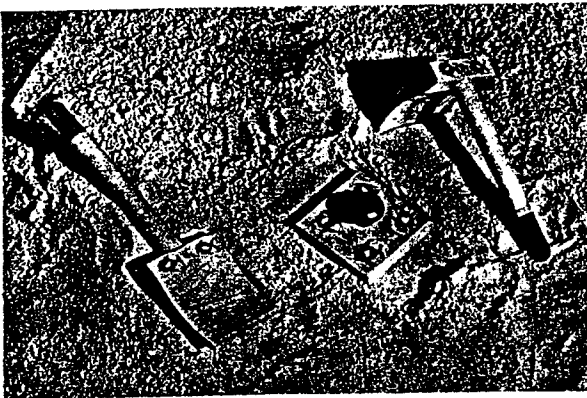

JUNIOR GARDEN TOOLS No. 204

This special set is designed exclusively for "the little gardener." A sturdy spade and a combination hoe-rake for weeding. Solidly constructed. Handles screw into blades. Hoe-rake measures 16" in length; the shovel 18".

Price \$.50

JUNIOR SAND TOOLS No. 207

Playing in sand, whether on the beach or in the playground sand box, is a universal pastime for all young children. Sturdy tools are essential for proper sand play. And here we offer 3 basic tools—shovel, hoe, and tamp.

Price \$.50

SAND PAIL AND SHOVEL No. 208

Holgate again offers the year's outstanding value in sand pails. A strongly constructed wooden bucket with heavy wire hoops and a sturdy wood shovel for general all-around sand play. Absolutely indispensable as a summer toy. (Pail is 5¾" high and 7½" in diameter, shovel 11½" long.)
